

Hello to All!

September 4, 2010

We are finalizing a portion of the details concerning the 2011 Camp Meeting to be held in Branson, MO. Based on the feedback of many brethren we took into account the following factors. We wanted a quiet location away from the traffic, a facility that would provide a hot breakfast, affordable lodging, family activities and opportunities for more common meal time. All things considered the Welk Resort on the southern edge seemed to fit the criteria. This location still provides access to all the beauty of the Ozarks and activities in the Branson area.

All rooms will be newly renovated by the beginning of spring. The dates of the meeting will be June 27th - July 1st. The room rate will be \$118.00 per day with a full hot buffet breakfast provided for 4 room occupants. The room does not include a refrigerator or microwave but one can be obtained at your request. The resort will extend the rates 3 days before and after the meeting dates. The resort also contains a One Bedroom Deluxe Lodge that sleeps 4 or a Two Bedroom Lodge that sleeps 6. These include many wonderful amenities but are more expensive than our room rate. Please ask for more details if interested. We are working on a tax exempt status which will reduce your rate even more. **You will contact Becky Jewsbury (information below) for all room reservations.** She will assist you with payment options (in full, installments, etc.) and all lodging details when you call. Be informed there is an available cancellation policy you may purchase for your protection in the event of an unforeseen circumstance.

For those of you traveling in RV's there are beautiful sites available all around Branson and Table Rock Lake. We have not received final word on prices for our group but if you will email me, I can forward you details as I receive them.

You may refer to the above website to view some of the great activities and restaurants in Branson. We will send additional information on specific trips we have planned at a later date. Discounted prices are available for groups.

There will be expenses incurred for our conference area, audio-visual equipment, name tags, common meals and snacks. Any contributions from individuals or congregations will be greatly appreciated. Please send those to me at the contact information below. We will have a private hospitality room available to us for snacks, games, singing or visiting throughout our time together.

We are in the process of setting up speakers and the format for the assembly each day. When we have finalized the details we will pass this along. If you know of others that would be interested in attending the meeting please pass this information and attachments along, or you may send us their email and we will gladly forward to them the details. We will be sending a hard copy to those on a list provided to us that do not have an email address.

We look forward to seeing all our Christian family in "Branson 2011!"
